Ask the Kuder Coach: Is an aptitude test a good way to narrow down career options?

General Topics
A good place to explore that question is with another question: What are aptitudes?

OUR ASSESSMENTS

The Kuder career assessments are regarded as best-in-class for their validity and reliability. Our assessments provide accurate results that serve as a powerful springboard for career planning. Our assessments don't define who you are or what your career should be, but they're essential in helping you narrow your search and consider options you may not have previously considered.

Kuder Career Interests Assessment®

Rate how much you like or dislike various activities. When finished, your highest interests will be matched with career pathways you may enjoy.

Kuder Skills Confidence Assessment®

Rate how confident you are performing each activity. When finished, review your skills and explore matching career pathways.

Super's Work Values Inventory-revised

Rate how important work-related values are to you. When finished, your values will be matched with career pathways you may enjoy.

NAVIGATOR SITE MAPS & MENU OPTIONS

Navigator is specifically designed to help middle and high school students plan for education and prepare for work. As students progress from sixth grade to high school, they gain access to additional assessments and tools to build comprehensive plans for the future. Some accounts may have additional menu options based on purchased packages or add-ons.

THE KUDER ADMINISTRATIVE DATABASE MANAGEMENT SYSTEM®

What better way to implement and manage your online career planning system than through a virtual dashboard that has everything you need right at your fingertips? The comprehensive Kuder Administrative Database Management System® (ADMS) makes your role in the career and education planning process a whole lot easier.

ADMS REPORTS AT-A-GLANCE

Administrators can generate a variety of individual and aggregate reports in the ADMS. Data can be used to develop or enhance career programs, fulfill budget requests, and support funding initiatives.

Assessment Reports

Users' interests, skills, and work values. Available in individual and aggregate form. Includes assessment results, interests and skills gaps, and individual progress.

Activity Progress Reports

Users' progress in completing critical system components. Review data on user registrations, education plan progress, assessment completion, and various key job preparation tasks.

CTE Reports

Data on CTE courses associated with users. Available in individual and aggregate form, these reports provide data on users coded as taking a career and technical education course(s).

Additional Reports

Track student progress in more ways. Run reports on college and scholarship applications, goals, graduation plans, and more.
