FEATURES & BENEFITS

Establishes

a solid foundation for career planning based on reliable and validated career interests, skills, and work values assessments.

Builds

a framework to explore occupations including **in-demand Indiana careers**, find colleges and financial aid, develop education plans, and prepare for work.

Includes

a comprehensive toolkit including Indiana-specific resources such as the **Indiana Graduation Plan** and **ScholarTrack** information. Students can also save work samples and create resumes and cover letters – all shareable via an e-Profile.

90%

of **Kuder users** go on to **postsecondary education.**

Empowers

parents to play an active role in their child's lifelong career planning, approve plans, and more.

Ensures

successful implementation with student-centered lesson plans for the classroom. Also, ask about the companion *Direct Your Future*™ curriculum – ideal for a career development course.

Improves

accountability and quantifies program success with robust reporting tools.

Tracks

data to enable administrators to monitor individual progress and high-level trends and quickly communicate with system users.

Enhances

academic success: over 80% of students say Navigator motivates them to stay in school.

“The Indiana Career Explorer is a comprehensive college and career planning preparation tool. This system includes the **Indiana Graduation Plan requirements**, grade-level checklists, and Indiana-approved courses. Once a student creates an account, **they will have it for life!**”
