

COLLEGE & ADULT STUDENT REGISTRATION

Follow these instructions to get your students and adult clients started using Kuder Journey.

- Go to <https://www.indianacareerexplorer.org>.
- Click on **Register or Log In** under **College & Adult Students** or **Job Seekers**.
- Click on **I need to create an account** and select your user type.
- Complete the four-step registration process and click on **Sign Me Up** to access the homepage.

ADMINISTRATIVE REGISTRATION

Follow these steps to create your Kuder Administrative Database Management System® (ADMS) account.

- Go to <https://www.indianacareerexplorer.org>.
- Click on **Register or Log In**.
- Click **New Users Register Here!**
- Select the user type of **Administrator** and then click **Continue**. Complete all the steps in the registration form using the Organization Access Code and Password in the implementation email from Kuder. Write your username below for future reference.

Username: _____

- Click **Register** to complete the process.

SOCIAL MEDIA

Follow Kuder's social media channels for up-to-date news and to hear what others are saying! Give them a shoutout on Twitter [@Kuder](#) and share how you [#DreamBigPlanAccordingly](#).

KUDER VIDEO LIBRARY

Kuder's story, the value of their solutions, and the impact they're having on youth and adults across the world are best shared through video. Check out their video library at www.kuder.com/about/success-stories/video-library and come back often for more stories from users around the globe.

ACCOUNT TYPE

As individuals register for Journey, they choose whether they are a student or a job seeker/career changer. Then, students select their grade level and job seeker/career changers identify with a particular user type (i.e. Veteran). Individuals may update their account type at any time in the **Account Settings** area of the system.

THE KUDER ASSESSMENTS

Kuder Career Interests Assessment®

Rate how much you like or dislike various activities. When finished, your highest interests will be matched with career pathways you may enjoy.

Kuder Skills Confidence Assessment®

Rate how confident you are performing each activity. When finished, review your skills and explore matching career pathways.

Super's Work Values Inventory-revised

Rate how important work-related values are to you. When finished, your values will be matched with career pathways you may enjoy.

User Types

Menu options *not marked with a colored dot* indicate availability for all user types.

- a graduate, just out of school looking for my first full-time job
- a laid off worker and/or a worker seeking a job within the same occupation
- a worker exploring a change to an entirely different occupation
- a veteran or active member in the military
- a person with a disability
- an ex-offender
- a retired person seeking another job or volunteer work
- a person going back to school to finish my degree

THE KUDER ADMINISTRATIVE DATABASE MANAGEMENT SYSTEM®

What better way to implement and manage your online career planning system than through a virtual dashboard that has everything you need right at your fingertips? The comprehensive Kuder Administrative Database Management System® (ADMS) makes your role in the career and education planning process a whole lot easier.

ADMS REPORTS AT-A-GLANCE

Administrators can generate a variety of individual and aggregate reports in the ADMS. Data can be used to develop or enhance career programs, fulfill budget requests, and support funding initiatives.

Assessment Reports

Users' interests, skills, and work values.

Available in individual and aggregate form. Includes assessment results, interests and skills gaps, and individual progress.

Activity Progress Reports

Users' progress in completing critical system components.

- Users who have registered within given date range.
- Users' status on starting and completing assessments.
- Users' status on various key job preparation tasks.

User Reports

Users' specific individual characteristics.

- Users' needs and barriers.
- Users' work experience.
- User type.
