FEATURES & BENEFITS

Inspires

users to take the next step in life with confidence.

Establishes

a solid foundation for career planning based on reliable and validated career interests, skills, and work values assessments.

Adapts

to provide information relevant to the unique life stages or circumstances, based on specific, individual needs or barriers to education or employment.

Includes

a comprehensive toolkit of resources — **now available in English and Spanish** — to explore careers, find education and training options, create resumes, build and share an e-Profile, and more.

Increases Retention

By using the Kuder system, college retention increased from 73% to over

90%

Facilitates

selection of the right educational track. To ensure success, Kuder® Majors Manager™ is available for colleges to promote their specific majors and programs.

Tracks

data for individual progress and high-level trends, accountability reports, communicating with users, and quantifying program success.

Engages

all key stakeholders from education to economic development.

“We needed to provide a **tool able to engage students** to identify majors, and offer information about professional associations, internships, and employment. **We found all of this and more in Kuder Journey.**”
