WAUKEE COMMUNITY SCHOOL DISTRICT

LEARN HOW TO GET INVOLVED WITH YOUR CHILD'S CAREER PLANNING!

kuder navigator®

Your child has taken the first step in the career planning process by getting started with Kuder Navigator®! You can play an important role as they start their career journey.

Navigator features interactive and reliable tools to make career planning fun, engaging, and relevant for middle and high school students. Navigator helps students learn about themselves, build an education plan, and prepare for life after high school.

GET STARTED

- Your student can generate a Parent Access Code by navigating to their Profile and then the Account Settings page.
- Scan the QR Code → to learn how to set up a family or guardian account.

BEST PRACTICES

Use these tips to engage your student in meaningful conversations.

- Use the menu on the left side of the screen to navigate.
- Review your child's assessment results together.
- Talk about your own career journey, past jobs, and future goals.
- Discuss the strengths your child sees in their own work.
- Review your child's Education Plan(s).
- Encourage the use of the scholarship search portal in their account.
